

COMBAT HAPKIDO **UNIVERSITY©**

EARN YOUR BLACK BELT DEGREE IN COMBAT HAPKIDO WITH OUR WORLD RENOWNED DISTANT LEARNING / HOME STUDY PROGRAM!

Now you can achieve your goal of earning a legitimate Black Belt Certificate in Combat Hapkido at your own pace and in the privacy, comfort and convenience of your own home. Combat Hapkido is one of the most respected Self Defense Systems in the World today. It has been featured on dozens of Martial Arts magazine covers, newspaper articles (including the Wall Street Journal), TV documentaries (ESPYPV), TV Shows (Dr. Phil) and at prestigious Martial Arts events (over 50 Martial Arts Hall of Fames, Karate College, Chuck Norris Martial Arts Expo., etc...). Combat Hapkido is now being taught at over 200 Martial Arts schools, military bases and police departments around the World. In 1999 it was officially recognized and accredited as a legitimate Martial Art Kwan (style) by the Korean Government. The techniques of Combat Hapkido are effective and realistic but also safe, fun and easy to learn. They are also humane and legally sensible, without the hype and overkill common to many so-called “reality based” styles.

HOW THE PROGRAM WORKS:

You must be enrolled in the Combat Hapkido **University** to do the program.

Study at your own pace. There is no time limit to complete the course. There is a **minimum** of 24 months from enrollment before anyone is permitted to test for **Black Belt**.

You must have a partner to practice and to demonstrate the techniques when testing for your ranks. If the partner is not interested in certification he/she does not have to be enrolled in the University.

Every 4 **months** you will be able to test for 2 belts (example: Yellow & Orange) by submitting a DVD, CD or a private YouTube[®] video demonstrating the techniques required for those ranks. You will receive feedback & critique of your tests.

There is a \$30 fee for each examination and the processing of each belt **certificate** (example: Yellow & Orange test \$60). **Note:** No fees for Ultimate Package students.

Black Belt Certification requires special processing: application form, 2 passport photos, an essay on “Combat Hapkido: The Art for the Modern Warrior” book and a fee of \$150 (**no fee** for Ultimate Package students). Your Black Belt Certificate will **not** show “University”, “Distance Learning” or “Home Study”. It will be the same Certificate as issued to everyone else.

We strongly recommend supplementing your home study program with attendance to ICHF sponsored **seminars** and clinics in your area. For up to date schedule, check the seminar section of our website at **www.dsihq.com** or **www.combathapkido.com** **You MUST attend at least one seminar before you can test for Black Belt.**

We strongly recommend supplementing your **technical curriculum** with other Combat Hapkido components: Weapons Disarming - Trapping - Ground Survival - Tactical Pressure Points. All these components are available on Instructional DVDs from our HQ.

Our HQ office will be available for assistance, guidance and consultation throughout the program. For any questions, call the HQ office or email us at: **info@dsihq.com**

Enjoy! With a friend or family member, learning and practicing can be fun. On your schedule, with no financial burden, in the comfort, privacy and convenience of your home (no fighting traffic!), you will achieve something special, exciting and possibly life saving!!
