## **HOW THE PROGRAM WORKS:**

Of course, you must be enrolled in the Combat Hapkido **University** to do the program.

Study at your own pace. There is no time limit to complete the course. There is a **minimum** of 24 months from enrollment before anyone is permitted to test for **Black Belt**.

You must have a partner to practice and to demonstrate the techniques when testing for your ranks. If the partner is not interested in certification he/she does not have to be enrolled in the University.

Every 4 **months** you will be able to test for 2 belts (example: Yellow & Orange) by submitting a DVD, CD or a private YouTube® video demonstrating the techniques required for those ranks. You will receive feedback & critique of your tests (No fee if re-testing is required). There is a \$30 fee for each examination and the processing of each belt **certificate** (example: Yellow & Orange test \$60). (**Note**: No fees for Ultimate Package students).

**Black Belt Certification** requires special processing: application form, 2 passport photos, an essay on “Combat Hapkido: The Art for the Modern Warrior” book and a fee of \$150 (**Note**: No fees for Ultimate Package students). Your Black Belt Certificate will **NOT** show “University”, “Distance Learning” or “Home Study”. It will be the same Certificate as issued to everyone else.

**We strongly recommend** supplementing your home study program with attendance to ICHF sponsored **seminars** and clinics in your area. For up to date schedule, check the seminar section of our website at **www.dsihq.com** , **www.combathapkido.com** or on our **Combat Hapkido Facebook page**. You **MUST attend at least one seminar before you can test for Black Belt** (unless your location is extremely far from any event scheduled).

**We strongly recommend** supplementing your **technical curriculum** with other Combat Hapkido components: Weapons Disarming - Trapping - Dynamic Combat Hapkido - Ground Survival - Tactical Pressure Points - Cane - Defensive Knives. All these components are available on Instructional DVDs from our HQ.

Our HQ office will be available for assistance, guidance and consultation throughout the program. For any questions, call the HQ office or email us at: [info@dsihq.com](mailto:info@dsihq.com)**Enjoy!** With a fellow student, neighbor, friend or family member, learning and practicing can be fun. On your schedule, with no financial burden, in the comfort, privacy, safety and convenience of your home, you will achieve something special, prestigious, exciting and possibly life saving!!
